**Subject:** Tax subsidy disclosure

Dear GASB Director,

I urge you to implement rules requiring the disclosure of all state and local subsidies to businesses. The disclosure rules should require the recipients and their brokers to be fully identified along with any fees paid, and any campaign contributions made by the companies and brokers. There should also be a rigorous accounting of how many jobs were added, if any.

The disclosures should cover the entire period of each deal as well as annual snapshots.

Thank you for your attention.

George Moore
