Subject: Full disclosure on tax subsidies for corporations

Please be advised that I support the rule as proposed and also demand a much broader one. I want to see full disclosure of all state and local subsidies to businesses. I want the recipients and their brokers fully identified along with any fees paid, Any campaign contributions by these companies and brokers and a rigorous accounting of how many real jobs , if any, were added. I would also like to see disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you for your attention to this matter.
