Hello,

I'm a NYS resident & US citizen. I've been informed about the proposed new rule or law about disclosure of tax subsidies for corporations that promise to bring new local jobs. I would disclosure of all state and local subsidies to businesses, as well as wanting the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. Lastly, I'd like disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you.
