Subject: GASB Request

Dear GASB,

I would like to request disclosure of all state and local subsidies to businesses. The recipients and their brokers should be fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. Moreover, we need disclosures to cover the entire period of each deal as well as annual snapshots. This only creates the necessary and much needed transparency of how our tax money is used.

Thank you,
