**Subject:** Proposed Disclosure Rules

To Whom It May Concern:

The proposed new rules on tax subsidies for corporations is a good start. Well done. However, I would love to see these rules expanded. I would also like to see disclosure of all state and local subsidies to businesses, and I would like to see the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. Additionally, I would like to see the disclosures to cover the entire period of each deal as well as annual snapshots.

I don't feel that this is too much to ask of the recipients of my tax dollars, or of the persons giving my tax dollars away. We deserve this information. Thank you for making this information available.

Sincerely,

Michael Bartul
