Director,

As you consider new rules directed at providing full disclosure on tax subsidies for corporations, please consider my views as a private citizen:

- I want full and complete disclosure of all state and local subsidies to businesses.
- I want the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers.
- I want a rigorous accounting of how many jobs were added, if any.
- I want these disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you,
