**Subject:** Regarding the proposed rule on corporate tax disclosures

Dear Director,

Thank you for starting off the discussion on the proposed rule for disclosing how corporations get tax benefits whereas the general populace have to pay their taxes in full.

I would also like to express my desire to expand the rule which would require a full disclosure of all state and local subsidies to businesses. I would also like to have all recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. In Addition, i want the disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you,

Piyush Kumar
