**Subject:** Public Comments on Proposed Rule re Tax Abatement Disclosures

Dear Sir/Madam:

Please accept this email as my public comment on the above captioned Proposed Rule. I would like to see full disclosure of all state and local subsidies to businesses, I want the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the recipients and their brokers and a rigorous accounting of how many jobs were added, if any. I would like disclosures to cover the entire period of each deal as well as annual snapshots. Thank you.
