Dear GASB

Project 19-20E

Proposal October 20, 2014

I write in FAVOR of the proposed rule changes and would request broadening the rule to include:

1. Disclosure of all state and local subsidies to businesses,
2. Recipients and their brokers fully identified along with any fees paid.
3. Campaign contributions by the companies and brokers
4. Rigorous accounting of how many jobs were added, if any.
5. Disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you
