To the Director,

Re: a limited change to the rules of disclosure regarding tax abatements.

I fully support any minor - or major - change about disclosing where/how/how much states have been freely supporting corporate welfare with some of my and my fellow citizens hard-earned tax dollars.

I want disclosure of all state and local subsidies to businesses.

I want the recipients and their brokers fully identified along with any fees paid.

I want to know about any campaign contributions by the companies and brokers.

I want to know how many jobs were added, if any.

And I want disclosures to cover the entire period of each deal as well as annual snapshots.

This isn't asking much, but all disclosure is necessary.

Thank you,

Nancy Lizza
