Subject: public comment on TAX ABATEMENT DISCLOSURES

Governmental Accounting Standards Board

Dear Director

Please accept my comment regarding

EXPOSURE DRAFT—TAX ABATEMENT DISCLOSURES

I support the rule as proposed but also demand a much broader one.

I urge you to require disclosure of:

- all state and local subsidies to businesses,
- the recipients and their brokers along with any fees paid,
- any campaign contributions by the companies and brokers and
- a rigorous accounting of how many jobs were added, if any.

Additionally, the disclosures should cover the entire period of each deal as well as annual snapshots.

Regards;

Joyce McCloy
