Subject: I support Tax Abatement Disclosures

Good Morning,

I fully support the disclosure of all state and local subsidies to business and believe the recipients and their brokers be fully identified along with any fees paid, any campaign contributions by the companies and brokers as well as a rigorous accounting of how many jobs were added, if any. Furthermore, I believe disclosures should cover the entire period of each deal as well as annual snapshots.

Thanks you for your consideration and the work you are doing to bring this about.

Sincerely,

Lindsey Milberg
