**Subject:** Tax Abatement Disclosures draft proposal Project No. 19-20E

To the Director of Research and Technical Activities,

I support the rule as proposed, and would also support much broader provisions for the disclosure of state and local subsidies to business. The recipients and their brokers should be fully identified, along with any fees paid, campaign contributions by companies and their brokers, and reporting requirements for the number of new jobs promised and actually created in exchange for the subsidies over the entire term of the deal and annually.
