To Whom it May Concern,

I want to see disclosure of all state and local subsidies to businesses. I want the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. And I want disclosures to cover the entire period of each deal as well as annual snapshots.

If my property tax information is public record, so too should be business subsidies. We should all be able to see the money trail.

Thanks,
