Subject: Property Tax Abatement disclosures

Director of Government Accounting Standards Board,

Concerning the proposed rule requiring local governments to disclose the total amount of property tax abatements in any year:

- * I would like to see full disclosure of all state and local subsidies to businesses,
- * I wish to see the recipients and their brokers fully identified along with any fees paid,
- *Make known any campaign contributions by the companies and brokers along with a rigorous accounting of how many jobs were added, if any.
- *Furthermore, I want disclosures to cover the entire period of each deal as well as annual reports.

Thank you,

Louise Beane
