Subject: Corporate tax break disclosure

I've read about the proposed change in disclosure rules and would like to chime in.

I think it would be fair to force disclosure of all state and local subsidies to businesses. I would like the recipients and their brokers fully identified along with any fees paid, any campaign contributions by the companies and brokers and a rigorous accounting of how many jobs were added, if any. I also want disclosures to cover the entire period of each deal as well as annual snapshots.

Thank you for your time!
