Dear Mr. Chairman and Members of the Board,

The Virginia Government Finance Officers' Association (VGFOA) appreciates the opportunity to work with the Governmental Accounting Standards Board (GASB) in the due process of improving accounting and financial reporting standards for technical corrections, an amendment of GASB Statements No. 10 and No. 62.

In general, we agree with the exposure draft and have no comments regarding the suggested amendments.

The VGFOA appreciates the opportunity to comment on this Exposure Draft and to work with the GASB for improving financial recording and reporting for governmental entities. Thank you for your consideration.
